Life is full
of opportunities.

Where will
these opportunities
lead you?

Knowledge is power

by Francis Bacon

A good education decides what we become in life.

Will your children be among the successful ones or not? Will they been motivated to love learning? Will they have acquired self-reliance, knowledge and confidence?

When, if not now, is the right time to invest into the future of your children? When, if not now, is it time for the right school?

Will the school lead you
to be the architect?

Will education lead you
to become a corporate CEO?

An investment in knowledge pays the best interest

by Benjamin Franklin

At Lead British International School, students learn in an environment that is conducive; they learn through experience, questioning, testing, doubting and investigating so as to get the right understanding from the early years to the final year of external examinations and Pre-University.

We support and guide pupils to embrace knowledge and develop the self-confidence necessary to take full advantage of the opportunities in life. See all our offers:

Pre-U

BEFORE UNIVERSITY

The Pre-U International Foundation Year prepares entry to more than 50 universities worldwide. On successful completion, students will be able to meet foreign university's Academic and English Language requirements, without the need to travel abroad.

Pre-U offers A'Levels for those seeking entry into world class Universities such as Cambridge, Harvard or for students wanting to study Law, Medicine, Accounting or other similar professional course. In addition, a university foundation programme is available for preparing students to get into Nigerian Universities. This programme is specially designed for those students who did not get through with JAMB qualifying examination.

Whichever way you may turn to in life, proper learning is the foundation.

Established in 2007, Lead British International School caters for day students from crèche to 18 years and offers boarding facilities for students from year 4 and above. Lead British International School is a co-educational institution with well-equipped and experienced teachers, with a modern ICT infrastructure and located in an environment conducive to learning.
