

Dear Parents/Guardians,

The students commenced lessons on 18th January, 2021, as a continuation of the online lessons, before physical resumption.

### **The COVID-19 Task Force Inspection**

On Monday, 25th January, 2021, the FCT COVID-19 Task Force visited LBIS to ascertain the level of compliance with the COVID-19 Protocols by the government. The inspection of the facilities put in place by the school to check the spread of the pandemic were certified adequate by the team of inspectors. They expressed their satisfaction with the level of compliance of LBIS to fight the spread of COVID-19.

### **CAT Reports**

In accordance with the guidelines for the prevention of the spread of COVID-19, the termly Open Day event did not take place. However CAT reports for students in the secondary section have been handed over to the students. We encourage you to ask for them.

### **Ash Wednesday**

To mark the commencement of the Lenten season, Catholic staff, pupils and students marked the Ash Wednesday in school on 17th February 2021.

- COVID 19 Inspection
- CAT Reports
- Ash Wednesday

Yours sincerely,

Mrs Tinuade Olufolabi  
Ag. Principal Head of School

It has been all excitement across levels these past weeks as the children learnt about and explored the themes 'Values and Ethics' and 'Places Around Us'. So much learning was achieved despite having to observe the Covid 19 protocols of social distancing and constantly washing of hands.

**Assembly:**

We were unable to gather as a whole section to hold our assemblies because of the present pandemic situation but we got creative about it. We planned and held our assemblies in our classes and so had the opportunity to still observe and celebrate important dates across the globe.

**Themes:**

**Values and Ethics:** As we worked on the theme 'Values and Ethics' our children explored and understood what our core values are as a school. They also role played citizenship skills such as honesty, integrity, punctuality. They learnt more about following rules and regulations as these also have a role to play in being ethical. They also learnt about friendship and how to make friends and ways to be good and better friends to their peers. Leadership skills were also discussed. The children answered the question 'How can I be Fair?' It was a loaded theme and from the discussion, reactions and responses to questions, we are glad that our children have imbibed the knowledge and skills and are building good ethical foundations.

To round off the theme, the children of Diamond and Gold levels read the story '**Aladdin and the Magic Lamp**' and discussed the value and ethical issues identified.

**Places Around Us:** The children visited some of the places in the school as we worked on the theme. We visited the library, the clinic, the school kitchen and cafeteria to mention just a few. Their vocabulary was enriched as they learnt new words like sick- bay, patient, and outpatient, cafeteria, tuck shop. It was a fun-filled experience as the children had the opportunity to visit parts of the school they ordinarily do not go to.

**World Read Aloud Day (WRAD)**

As the world celebrated the 12th annual World Read Aloud Day (WRAD) on February 3, the EYS was not left out in the celebration. The celebration was focused on the awareness of the importance of reading aloud, sharing stories and advocating for literacy as human rights. The pupils discussed the importance of 'reading aloud' and they were encouraged to Read Aloud in order to improve their reading skills and vocabulary. Many of the pupils rose up to the challenge and read stories aloud to their classmates. It was a day filled with excitement as many budding readers were identified. We encourage you our dear parents to create the opportunity for daily reading aloud story time with the children. It will greatly enhance their love for reading and reading skills.

The Second term of the 2020/2021 academic session commenced in earnest on 12th January, 2021 with a one week online review of the first term activities. In person learning activities resumed in various year levels on Monday 18th January, 2021 and it has been smooth sailing.

### **Covid-19 Protocols**

The Primary section of Lead British International School has been observing all the stipulated Covid-19 protocols by constantly reminding pupils to wear their face masks, wash/sanitize their hands regularly and maintain social distancing. This has helped the pupils to stay healthy and keep safe.

### **Extrinsic Motivation**

As a method of motivating pupils to do their best at all times, different year levels have developed means of rewarding hard work on weekly basis by giving out badges to pupils who emerge on top in the various subjects. This has got all our pupils striving harder as they desire to be awarded the subject badges.

### **Second Term First Continuous Assessment Test (CAT)**

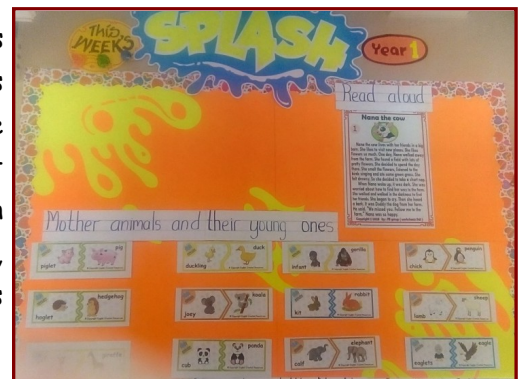

In learning testing is continuous so as usual, we commenced our 1st Continuous Assessment Tests (1st CAT) on Monday, 8th February and it ran through till Wednesday 10th February, 2021.

### **World Read Aloud Day**

The annual World 'Read Aloud Day' was celebrated globally on 3rd February and our section was not left out of the activities. We focused on using the programme to further strengthen the reading culture in the lower primary. Pupils were encouraged to participate actively in weekly reading contest of read aloud to their peers. Winners were rewarded, the pieces/titles they read were attached to their names and put up on the section display-board. This went a long way to motivate other pupils to do their best.

### **Our Working Walls**

A display of pupils work and what they are taught on weekly basis has promoted our pupils learning in an interesting way! The pupils are constantly reminded of their work as they walk along the corridors of their classes thus having the opportunity of constant reminders of what they were taught as information is displayed on the walls. This process has impacted positively on pupils learning, such as learning about animals and their young ones, their names and homes.

### **Science Plant Exhibition**

Pupils of Year One extended their curriculum when they put into practice what they learnt in the class. They had learnt about Agricultural Practices and how food crops are got and to inculcate the skills in them, they were guided to grow plants in flower pots, after which they would transplant them to the school farm and monitor them till harvest time. Get ready for our Year 1 grocery store!

### **Model House on Renaissance architecture**

The pupils of year 4 were given an assignment in Art to construct a model of a renaissance architecture style house. A lot of pupils showcased their creative ability by making beautiful models but the best model was made by Abdulsamad Kyari.

### **Condolences**

The staff and pupils of the Primary section wish to extend our condolences to Mrs. Queen Ugwu, Year 2 Teacher who lost her six weeks old baby boy to the cold hands of death. Our condolences also go to Mrs. Uche Oraka, Year 2 Teacher, whose mother passed on two weeks ago. We also express our deepest condolences to Miss. Tawa Kadiri our Yoruba Language teacher, who lost her Father by the close of 1st Term and Mrs. Njoku our Librarian, who lost her father recently. We pray that the bereaved find comfort. May the departed souls rest in peace. Amen

Second Term of 2020/2021 Academic Session commenced on Monday, 11th January, 2021, with online lessons. Boarding students resumed school for second term on Sunday, 17th January, 2021. On the other hand, Day students resumed school on Monday, 18th January, 2021. The students were received with care into the academic ambience of the school in compliance with the COVID-19 Protocols by the government.

### **Academic Activities**

Drills for Year 12 students to ensure their success in WASSCE/NECO and IGCSE have commenced. Concerted efforts have also been made by the School Management to organize JAMB, SAT and IELTS lessons to equip the students for a resounding success.

### **Internal Examinations**

Year 12 students commenced the SSCE (WASSCE/NECO) MOCK on 3rd February, 2021. The First Continuous Assessment Test (CAT 1) for other students in Key Stages 3 and 4 commenced on Monday, 8th February, 2021 and concluded on Monday 15th February, 2021.

### **New Staff**

At the beginning of Second Term of 2020/2021 Academic Session, the following teachers were employed to reinforce the academic strength of the school.

- Mr. Nwaeze Chidiebere Barnabas: Faculty of English Language
- Mr. Justice Abraham Antoh: Faculty of Mathematics
- Mr. Odey Peter: Faculty of Mathematics

### **Change In Assembly Days**

Key Stage 3 Assembly has been changed from Wednesdays to Mondays. Also, Key Stage 4 Assembly has been changed from Thursdays to Tuesdays. The reason for this change is to enable the School Management to furnish the students with the necessary information at the beginning of the week and to track the students' progress and the level of compliance.

**Year Level Awards:** In weeks two, three and four, the following Key Stages 3 and 4 students were the recipients of Year Level Awards:

Week Two	Week Three	Week Four
Adio Oluwafemi Eniola_Year 7	Ejim Emmanuella Nneoma_Year 7	Dahiru Muhammad Nuhu Dahiru_Year
